

PCS News 2/17/23

Dear PCS Community,

We have had another full, engaging week here at PCS, capped off today with our Black Lives Matter at school week gallery walk. You can ask your students what principle of the BLM movement their class worked on as part of the school-wide event. There was much excitement and pride in the air today!

This week our Winter Sports program wrapped up with our 6th and final week of winter activities programming. Major thanks to Nancy for her organization, the teachers and staff who chaperoned and supported this work, the many parents who helped pull it off, and our students who represented PCS so well while off campus.

As a reminder, there is no school next week for February break. I hope that you all have a chance to relax, recharge and have fun in this oddly mild February. We're looking forward to welcoming everyone back on Monday Feb. 27th!

Here is some information heading into break:

PCS Summer Camp:

Please know that PCS Summer Camp sign ups are out and spots are filling up. Please see the information on our PCS website or emails from Katy Emond about offerings and for the sign up form. We will have scholarships support available.

Family Climate Survey Coming:

Our district values your feedback! This month and into March, we will be asking you to take a brief survey to tell us about your experience with schools in Windham Southeast Supervisory Union. To ensure we continue to provide high quality, rigorous learning experiences that meet the needs of our learners, we need your feedback. We want to know what you think.

The survey will be available online beginning on February 16 and close on March 10. We will be sending out more information, including a link to the survey, next week.

We thank you in advance for your thoughtful responses. If you have any questions about the survey administration, please don't hesitate to contact us at psmith@wsesdvt.org 802-579-1175.

News from the Putney Food Shelf:

During the school break Food4Kids free food shopping will be available by signing up at the Putney Community Center, 2-4:00pm Wednesday, 2/22/23.

Free produce, meat, and dairy products will be available. All are welcome!
